

McKinney
for PRESIDENT
2008

**MONEY FOR PEOPLE,
NOT FOR BANKS**

Cynthia McKinney believes that our current banking system was designed to serve private banks rather than the public. As President, she will urge that the power to create money be taken from private hands and restored to the Congress. Help Cynthia ensure that "the full faith and credit of the United States" is used to fund public works directly, without interest owed to financial middlemen.

YOUR HELP IS NEEDED!
