

McKinney
for PRESIDENT
2008

A "NEW DEAL" FOR SUSTAINABLE ENERGY AND TRANSPORTATION

As President, Cynthia McKinney will leave the oil in the soil and invest in solar, wind, geothermal, and other sustainable energy sources. These investments will result in new jobs, fresh air, and affordable transportation for America. Cast your vote for a sustainable energy policy that excludes nuclear energy, and secures better employment, a healthier economy, a cleaner environment, and a safer world.
