

McKinney *for PRESIDENT*
2008

A GENUINE LIVING WAGE

As a Congresswoman, Cynthia McKinney authored a bill to nationally institute a genuine living wage. Cynthia believes workers should be paid fairly and that no woman should perform equal work for unequal pay. As President, she would defend the right of workers to be paid a wage adequate to support their families, and she would insist on equal pay for women. You can help by voting in support of working families.
